A New Year party your whole community will talk about

We plan and host fun-filled New Year's Eve parties for apartment communities, from a simple emcee-led evening to a complete event with stage, DJ, stalls and performances. Kids, parents and seniors all get something to enjoy, and your committee doesn't have to run around on the night.

8,000+
events hosted by our team

15
years of experience

Male & female
emcees in Tamil, English, Hindi & Telugu

Chennai Event Emcees is led by Emcee Thamizharasan along with Celebrity Anchor Nandhini Aravindan. Our team has hosted 8,000+ events over the last 15 years, with male and female emcees in Tamil, English, Hindi and Telugu across different budgets. We cover Chennai, Coimbatore, Pondicherry and the rest of Tamil Nadu.

Why apartments book us

One point of contact
Emcee, DJ, stage, stalls and performers all come through us. Your committee deals with one person, not ten vendors.

Everyone is included
Separate games for kids, couples, families and seniors, so it's not just a DJ night for the youngsters.

Residents perform too
We fit your residents' dances and songs into the flow, so the evening feels like your community's party.

Smooth countdown
We manage timing so the cake cutting and countdown happen exactly at 12.

Experienced at New Year
Our team has hosted New Year parties at apartments, resorts, hotels and private homes.

Book early! 31st December is the busiest night of the year for emcees, DJs and performers. Good artists get booked by early December. We suggest confirming by **5 December 2026**.
